The question of condoning the deficiency of 14 days is for orders. It is not clear how 14 extra days make a difference of 2 years' pensionable service. The Sectt may perhaps be consulted.

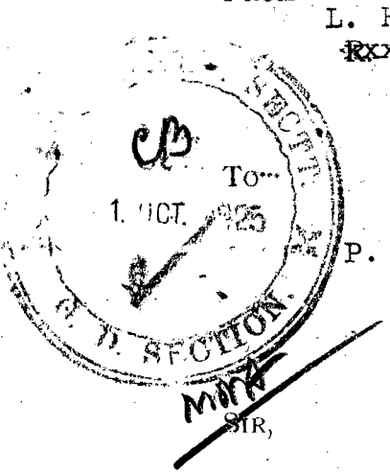
~~R. BOCQUET, Esq.~~,
Ag. CHIEF INSPECTOR OF MINES IN MYSORE.

CB 721
C. B. 10-24-19.



TO

P. G. D'Souza, Esq., B.A., B.L.,
Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
BANGALORE.

SIR,

In accordance with the instructions of Government in your letter No. 62/C.B. 10-24-18 dated 2nd July 1925, I have the honour to inform you that Mr. Bocquet will resume duty as Chief Inspector of Mines on the 24th November 1925, and to enquire whether Government will be pleased to grant me an extension of service of 24 days until the 24th May 1926 with permission to avail myself of 6 months combined leave from 25th November 1925 preparatory to retirement.

(2) Should the above extension of service for 24 days be granted, it will be seen from the enclosed figures (which have been checked by the Comptroller) that when I leave the service of the Government of His Highness the Maharaja of Mysore on 24th May 1926, after 6 months combined leave preparatory to retirement, I shall have put in 19 yrs. 11 months and 16 days total service or 17 years of pensionable service, whereas if I should remain in service until 7th June 1926, or 14 days more, I should have put in 20 years total service or 19 years of pensionable service.

As a matter of fact seeing that 2 months and 3 days of the 6 months combined leave granted to me preparatory to retirement is privilege leave, earned before reaching the age of 55 years, I presume that my 20 years of total service would end on 2nd June 1926 (I joined on 2nd June 1906) and so only 8 days more service would be required

to

to bring my pensionable service from 17 to 19 years.

I therefore request Government to kindly condone this deficiency of 14 or 8 days so that I may have 19 years of pensionable service to my credit.

(3) In the event of Government not granting me an extension of service until Mr. Bocquet's return the deficiency of days to be condoned would be increased by 24 days.

I have the honour to be,

Sir,

Your most obedient servant,

L. St. Beckwith.

IN MYSORE.

DEPARTMENT OF MINES & EXPLOSIVES.

D.O. No. 380.

Office of the Chief Inspector of Mines
in Mysore,
Oorgaum, dated 23rd September 1925.

GS 764

Dear Mr. Srinivasa Iyengar,

You may remember that when - in November 1924 - you visited the office of this Department on the Kolar Gold Field it was brought to your notice that if I should be allowed to continue on duty for a few days after Mr. Bocquet's return from leave, near the end of November, I should - with the 6 months combined leave granted preparatory to retirement - have completed 20 years total service and 19 years of pensionable service, whereas if I left immediately on Mr. Bocquet's return I should have only 17 years of pensionable service to my credit.

You replied that you did not want me to remain on after Mr. Bocquet's return, but that if I wrote to Government a few weeks before leaving the Kolar Gold Field explaining my case, you were sure that they would condone the deficiency of the few days required to bring my total service to 20 years and thus increase my pensionable service by 2 years, and that you would recommend them to do so.

I am now about to address Government on this subject - when writing to ask for orders regarding an extension of 24 days service, from the 1st to 24th November, the date of Mr. Bocquet's return, and hope you will be able to recommend them to condone the deficiency of the few days required.

The bodies of the four men buried in the Ooregum Mine as a result of the very heavy rockburst on 12th September, have not yet been recovered.

With kind regards.

Yours sincerely,

L. W. Bee Mr. Ste

K. R. Srinivasa Iyengar, Esq., M.A.,
First Member of Council,
Camp: Mysore.

Dear Mr. Beckwith,

I duly received your letter of the 23rd September regarding the extension of your service by a few days as also the concession asked for by you in the calculation of your pensionable service. I am sorry that, as I was then very busy at Mysore in connection with the Dasara Durbars and the Representative Assembly and as the file relating to the case was not before me, I was not able to send you an immediate reply. On going through the previous papers relating to your case, I find that there should be no difficulty in granting you a small extension of a few days necessitated by the delay in Mr. Bocquet's return from leave, and I shall see that orders are issued on this point as early as possible. With regard to your request for concession regarding the pensionable service, the matter will receive due consideration in consultation with the financial department and the result communicated to you.
